Welcome to the new term at Wyncliffe. We hope you had a lovely Easter and are ready for a busy term ahead.

The Ladybird Room have been remarkably busy this past term with their topic 'All creatures great and small' which the children enjoyed. Our next topic is 'Transport' which Lou is excited about!!!

The Busy Bees Room have been learning about weather and seasons and have done lots of lovely activities. Their next topic is 'food from around the world' they are going to make a shop role play area which the children will love.

We will be doing a lot more outdoor learning and play as the summer months are coming and already the children are exploring an outdoor mud kitchen. We are hoping to expand on the outdoor areas this term.

Wyncliffe has also taken part in events such as a week-long comic relief activities which helped us to raise £64.66. we have also celebrated Valentine's day, Shrove Tuesday, Mother's Day, St. David's days and St. Patrick's Day.

We are a nut free setting.

We still have children with severe allergies therefore we are asking parents not to send their children in with loose foods. Please ensure that all food is contained and sealed in a lunch box or a snack box.

Please can parents also send their children in with old clothes as they may get messy. Also, can you ensure that they have spares.

We have an open-door policy and staff are always available should you wish to discuss anything.

We hope to see you all very soon 😊

Stay safe!!

The Wyncliffe team.
